WE ARE PLEASED TO INVITE YOU

AT IVT EXPO 2025

Always on the move and looking for the most appropriate solutions to the needs of machine manufacturers, Walvoil will be at IVT EXPO with the evolution of the ALS system, the EPX - Hydraulic Energy Recovery System and its new Operating Assistance System for mini and midi-excavators.

Come and discover how these systems, all part of Walvoil's Hydraulic Digital Solutions, work and the potentialities they can offer.

LOOKING FORWARD TO MEETING YOU IN CHICAGO!
