MOTION BY PEOPLE

WE ARE PLEASED TO INVITE YOU

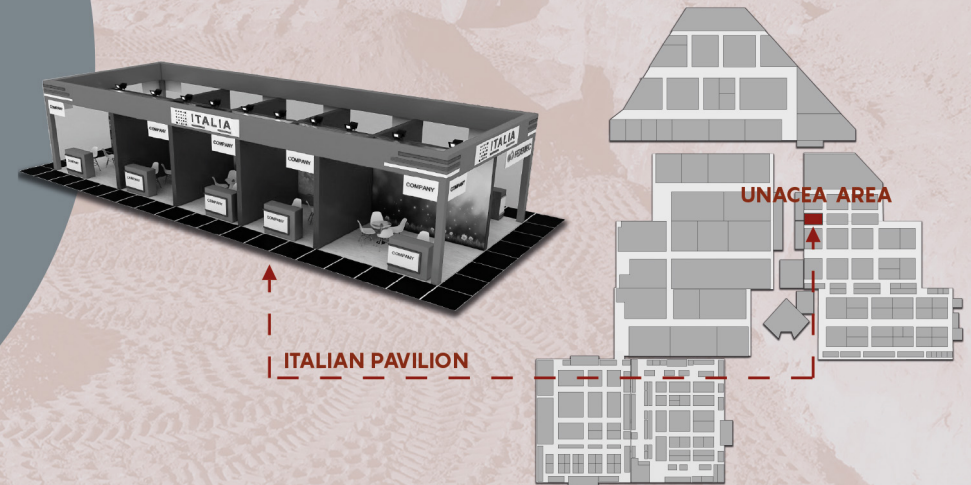

AT KOMATEK 2026

The construction and work machinery sector is undergoing a transformation driven by shifting market dynamics and rapidly advancing technologies.

With a long-standing presence in the construction machinery market, Walvoil returns to KOMATEK, leading international construction machinery exhibition in Turkey and Eurasia, to showcase its extensive range of products and specialised solutions.

This includes solutions that best meet today's demands, such as improved performance, energy saving and efficiency.
